REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of East North Street Academy, a Magnet School of Mathematics and Science, is to offer a strong academic program that is standards based, integrated across the curriculum, and spiraled. We pride ourselves that our main emphasis, in addition to raising the bar academically, is to nurture our students in a safe and caring environment. We provide each student with an exemplary learning environment that is tailored to meet individual educational needs. Our high quality instruction is directly aligned to South Carolina state standards, and is enhanced by specific research based curriculum, highly qualified teachers and staff, and state of the art instructional materials. Together with our community supporters and business partnerships, we maintain high expectations for all students and continue to evaluate current practices as well as research educational programs that have proven to be successful across the state.

From the moment you come in the door and walk down the colorful child-friendly mural painted hallways, you know that you are in a VERY SPECIAL PLACE CALLED SCHOOL! Our beautiful school is a unique blend of the innovative use of math, science and technology along with enrichment activities in language arts, social studies, music, art, and physical education. This rigorous curriculum will provide unlimited opportunities for all the children and communities we represent.

This past year we received the coveted Palmetto Achievement GOLD award in recognition of academic excellence and the SILVER award for closing the gap. We are working hard to continue as a school of excellence. Also we are proud to be further distinguished as a South Carolina Red Carpet School.
